## **BOOK SYNOPSIS**

Neely Wallace, having stumbled upon an unsavory secret concerning her employer, a U.S. Senator, is on the run. Her main goal is simple, to stay alive. The last thing she needs or wants is to fall in love especially with a time-traveling vampire like Aidan Tremayne. Aidan has some complicated challenges of his own to meet, since a number of very bad and very powerful former humans are out to drive the proverbial stake through his heart. "Forever and the Night", the first in a four-book series, is a dark fantasy, a fast-moving story, full of adventure and romance. Strap yourself in, because this will be one wild ride.
