BOOK SYNOPSIS

Now a USA TODAY bestseller! Casey knows the truth. But it won't set her free. Casey Cox's DNA is all over the crime scene. There's no use talking to police; they've failed her abysmally before. She has to flee before she's arrested . . . or worse. The truth doesn't matter anymore. But what is the truth? That's the question haunting Dylan Roberts, the war-weary veteran hired to find Casey. PTSD has marked him damaged goods, but bringing Casey back can redeem him. Though the crime scene seems to tell the whole story, details of the murder aren't adding up. Casey Cox doesn't fit the profile of a killer. But are Dylan's skewed perceptions keeping him from being objective? If she isn't guilty, why did she run? Unraveling her past and the evidence that condemns her will take more time than he has, but as Dylan's damaged soul intersects with hers, he is faced with two choices: the girl who occupies his every thought is a psychopathic killer . . . or a selfless hero. And the truth could be the most deadly weapon yet.

IF I RUN IF I RUN SERIES - Are you looking for Ebook If I Run If I Run Series ? You will be glad to know that right now If I Run If I Run Series is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. If I Run If I Run Series may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with If I Run If I Run Series and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with If I Run If I Run Series . To get started finding If I Run If I Run Series , you are right to find our website which has a comprehensive collection of manuals listed.
